Easter quiz for children

During the Easter holidays young visitors can take part in a quiz on the subject of *Surprises*. The free quiz sheets can be picked up from the desk at the Orange Street entrance. Children will be directed to 14 surprising paintings and asked a variety of questions about them.

The quiz sheets will be available during normal gallery hours from 25 March until 9 April.

New picture

The Gallery now has a fine still life by the Dutch 18th century painter Jan van Os. This large picture (89.1 x 71 cm) of flowers and fruit is painted in light, bright colours on wood. It is one of the first pictures of this type in the Gallery. The picture is signed and dated 1777 and 1778. It is not unusual for a picture like this to be dated in two years: the artist waited for particular flowers to bloom in their different seasons in order to paint them. The picture was generously given to the Gallery by Miss Violet Churchman in memory of her sister Ida Nancy. It is now on display in Room 25.

Special exhibition

The exhibition 'Painting in Spain during the late 18th century' opened in the Sunley Room on 15 March. Recently the Gallery has bought works by three Spanish painters of this period: Paret, Melendez and Francisco Bayeu, who are the focus of the exhibition. These three artists are joined by Francisco's brother Ramon, by Antonio Gonzalez, and by two Italians who worked in Spain during these years - Corrado Giaquinto and Giovanni Battista Tiepolo. The exhibition runs until 31 May.

Lecture news

The series of lectures arranged to go with the special exhibition continues every Wednesday. On 5 April Lizzie Barker will discuss the work of Melendez, while on 12 April Sarah Symmons will lecture on Luis Paret. On 19 and 26 April Juliet Wilson will talk about Francisco Bayeu.

On Tuesdays in April, Erika Langmuir will explain how artists often 'tell a story' through their pictures.

Gallery restaurant improvements

The Gallery is delighted to announce that an improved and expanded service is now available in the Gallery restaurant. With its new kitchens the restaurant offers a wide choice of hot and cold dishes at reasonable prices.

Information for visitors

Free guided tours of the Gallery take place every day at 11.00 am and 3.00 pm (except Sundays). These tours introduce some of the Gallery's greatest pictures, and show the whole range of the Gallery's collection of some of the most important European paintings from the 13th to the early 20th centuries.

PART 4

Questions 21-25

- Read the text and questions below.
- For each question, mark the letter next to the correct answer - **A, B, C** or **D** -

When I injured my back I had to take a break from my running career. I decided to introduce more women to the sport, to show them how much fun it can be and to give them the confidence to get out and run.

I decided to start a running club for women in my area because I was annoyed by the attitude of many race organisers. They complain about the lack of women in the sport but also use this as an excuse for not providing separate changing facilities.

I put up posters and 40 women, young and old, fit and unfit, joined. All of them were attracted by the idea of losing weight but I don't think they had really thought about running before. When or if they did, they had a picture of painful training. They didn't think of chatting and smiling while running in beautiful places, like by a river.

At first they ran for only a minute - now they can run for thirty minutes. They've also learned from other runners about diet and keeping fit in general.

I wanted to do something for women's running and I've had so much pleasure watching their progress - almost as much as they've had themselves.

- A** the best kinds of places for running
- B** how runners can avoid injuring themselves

MONEY

What is money? The pound, the dollar or the euro are actually just (0)..... a gram or a kilometre. The difference is that you can exchange money for something (26)..... A ten pound note may buy a book, a huge bag of sweets, or a (27) of cinema tickets. But the note itself is only a printed (28) of paper which costs almost nothing to make. Thousands of years (29), people didn't have money as we know (30) There were no banks (31) even shops. In those days, Mr Green the farmer exchanged the corn he (32) grown for Mr Hive's honey. This was an exchange arranged between two (33), each of whom had something that the other wanted. But in time, most societies invented their own 'currencies' (34) ... that people could exchange more. The different currencies began to join together, which is why (35) everyone uses the same currency in their country.
