I, he, she, we, and they are subject pronouns.

We use **he** when we talk about one male (a boy or a man).

We use **she** when we talk about one female (a girl or a woman).

We use **we** to talk about other people + I.

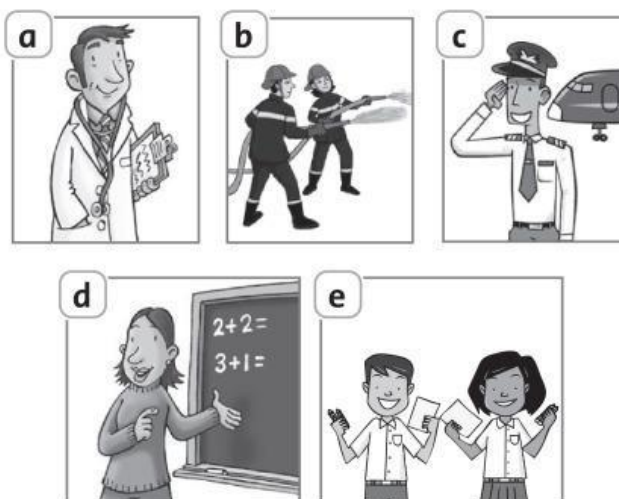

We use **they** to talk about other people (plural, not I and not you).

I'm = I am he's = he is she's = she is we're = we are they're = they are
