K5 FIRST TERM ASSESSMENT 2024/2025

Science

1. What is soil? _____.
2. Plants and animals need soil, air and water to feed from and survive.
True/False?
3. Water is a liquid that is _____, _____, and _____.
4. What is air? _____.
5. Name the sources of water.

SOURCES OF WATER

The worksheet features a central title 'SOURCES OF WATER' in bold, uppercase letters. Below the title are six illustrations arranged in a grid-like pattern. Each illustration is accompanied by a rectangular box for labeling. The illustrations are: a river (labeled 'RIVER'), a borewell (labeled 'BOREWELL'), a pond (labeled 'POND'), a well (labeled 'WELL'), a lake (labeled 'LAKE'), and a sea (labeled 'SEA').
