

Vocabulary

Happiness

1 Choose the correct alternatives.

Stella

When I was a child, my parents spent a lot of time with me and my sister. We had a really happy ¹*friends/family* life. My parents both had ²*good/healthy* careers, but we weren't a rich family. We had a small house and only a little garden. It was a ³*humour/simple* life. When I leave university and get a job, I want my life to be the same.

Richard

When I finish university, the first thing I'll do is look for a job so I can ⁴*keep/earn* lots of money. My career is very important to me, so I will work hard. I don't ⁵*get/have* a lot of interests, so I don't need to have a lot of ⁶*free/simple* time.

Laura

When I leave university, I would like to work in a gym. I think it's important for people to keep ⁷*simple/fit*. I can help them to eat ⁸*well/good* and have healthy lives.

2 Match the phrases in bold in sentences 1–8 with definitions a–h below.

- My best friend and I always make each other laugh. We have the same **sense of humour** ____
 - We eat a lot of fruit and vegetables because it's important to **eat well**. ____
