LIVEWORKSHEETS

TEST 3

Lessons 7a to 9b READING AND WRITING

Name: .....

1a Read the text. Answer the questions. (5 x 1 = 5)

Christopher Reeve

Christopher Reeve was an American actor who is well known for playing Superman in films in the 1980s. He was chosen to act in these films because he was a talented young actor and he was good at athletics and sport. However, he didn't have huge muscles like the Superman character in the comic books, so he trained for months before each film. That way he didn't need to use fake muscles under his Superman suit. Christopher Reeve was an awesome Superman and his films were very successful. Many people actually believed that he really had superpowers and could fly.

One of Christopher's favourite hobbies was horse riding. When he was 42 years old, he took part in a horse riding competition and had a terrible accident. He fell off his horse and broke his neck. He couldn't move his arms or legs after the accident and he had to use a wheelchair.

After the accident, Christopher spent a lot of his time trying to improve the lives of people using wheelchairs. He also helped scientists with their research about how doctors could help people in wheelchairs to walk again. Christopher inspired a lot of people. He won many prizes for his acting and for the help he gave to other people.

He was Superman in films and in real life!

1. Why was Christopher Reeve a good actor to play Superman? .....
2. Why did Christopher need to train before each film? .....
3. What did he like to do in his free time? .....
4. What research did Christopher help scientists with? .....

.....

5. What did he win prizes for? .....
