*Read the text. Are the statements **True** or **False**?*

For each item, shade in the bubble ⬭ under the correct option.

Hi! I'm Maha. I'm in grade five. I'm ten years old. I live in Sohar with my family in small house. I love doing a lot of things in my free time. But I'm not good at everything! I love cooking. I think I'm great at making pizza and of course at baking a cake! I love playing with my toys, but I'm not very good at fixing them when they break. I love ball games, but I'm terrible at juggling more than two balls at a time. I think it's very difficult! But I'm good at spelling new words! I think it's fun.
