

When my heart full of love, it makes me a turtle in dove. Love the game that we play night and day. When our love is clear and bright, it's our way to see the light. There's a fire in our heart night and day.

When I feel the time is right and your staying by my side. And the love you give to me makes my heart beat. When my fantasy fly away but my feelings make me stay. I see the fire in your eyes, it makes my heart beat.

Do it, we'll still do it night and day. You're my all time lover.
Do it, we'll still do it anyway. Like there is no other.

Listen and drag and drop.

TOUCH BY TOUCH

Touch by touch, you're my all time lover

Skin to skin, come undone my cover
