Wednesday's family

My name is Wednesday. I have a brother, and his name is Pugsley, who always does silly things. My dad's name is Gomez, and my mom's name is Morticia. They are married and love each other a lot. Their favorite thing to do is dance together. Gomez has a brother named Uncle Fester, but he doesn't have any sisters.

I also have a grandma who loves us very much. My dad has a rich cousin named Cousin Itt. Our house is very big. We have a butler named Lurch who looks like Frankenstein. We also have a pet lion named Kitty, and a hand called Thing that helps around the house. Our family is a little strange, but we love each other a lot!
