We live a flat in Pretty Street. Our flat is the second floor. Mr Brown lives us, on the third floor, and Mr and Mrs Farmer live us, on the first floor.

Our home has five rooms. We've got a big kitchen and to the kitchen there's a living room. There's a sofa and a bookcase with a lot of books it.

The TV is the sofa. Sometimes we have dinner the living room but we don't turn on the TV.

My bedroom is my parents' room and the bathroom. There's a balcony my parents' bedroom. They like sitting there in the morning to have their breakfast but when it's cold, they eat the flat.
