Dear Tom,

I can see the sea. I can't see trees. There's a boat. It's blue. There are some fish. They are green, yellow and pink. There are some shells on the sand. There's a sandcastle, too. I've got some toys in my bag. I've got a kite. It's purple and orange. I've got a ball, too. It's white. It's my favourite toy. What's your favourite toy? I can play football on the beach. I can't swim. But my dog can swim. Can you swim?
