Reorientation

1.

First, I went cycling to school in the morning. Then, I studied until 14.00. After school, I went to football practice in the field. It was a hard training day and drained my energy.

2.

Last Friday was a tiring day. I spent the whole day doing lot of activities and had no time to take a rest.

3.

After that, I went home and took a shower. Before getting ready to sleep, I remembered that there were homeworks and some projects I still had to do. I did my homework until 22.00 and finished some video editing for my project until 01.00. Only until then, I could take a rest.

4.

Those activities made me exhausted. Perhaps I will reduce my activities in the future.
