How to have a great day every day
Video 1

Many people want to know how to work harder and feel better. How can you have a great day at school or at the office? A good daily routine can help you to have a great day *every* day.

Get up early

Many people want to stay in bed in the morning, but it is best to get up before 7:00 a.m. If you start working or studying early, you will have more ideas and you will be able to work faster. Many well-known writers and musicians from the past believed that it was important to get up early – and to go to bed early too. You should also try to get up at the same time every day, because this is good for your body and brain.

Eat breakfast

Breakfast is the most important meal of the day. People often say that they don't have time to eat breakfast, but they will find it more difficult to start work, and they will soon feel very hungry. A healthy meal of toast, eggs, and fruit juice will help you to work well all morning – and stop you from eating unhealthy food like crisps and chocolate later in the morning!

Go for a walk

If you usually spend a lot of time in your office or in the classroom, it is very important to go outside and get some fresh air. If you spend just 30 minutes a day walking outside, you will feel less tired and you will be able to do more when you get back to work or school. A walk in the park every day will make you feel much healthier and will help you to do your best work.
