

Activity Worksheet—Thank you for not working ahead!

Pre-workshop activity:

1. What's a challenging digital publication you've been charged to create or collaborate on in the last year?

2. What format did you end up using to share it with your consumers?

3. What was the feedback from your consumers?

4. Who did you collaborate with to create this publication?

5. What tools did you use to create this publication?

6. What additional resources would make creating this publication easier in the future?

Follow-along Resources:

View this presentation on your mobile device.

Example One: Camps Handbook

Example Two: Updated Gym Schedules

Example Two: Updated Pool Schedules

Digital Accessibility for Parks and Rec:

Developing joyfully accessible digital publications from concept to execution.
