# MIXING COLORS

Mix blue paint

and yellow paint.

Now it's green.

This is blue paint. Add white

paint. Now it's light blue.

Mix red paint

and yellow paint.

Now it's orange.

This is blue paint. Add black

paint. Now it's dark blue.

3 Read again and complete. 

yellow    black    white

1. blue + yellow = green

2. blue + \_\_\_\_\_ = light blue

3. red + \_\_\_\_\_ = orange

4. blue + \_\_\_\_\_ = dark blue

4  **Think!** What things are light blue and dark blue?  
Draw and color a picture of these things.
