My Life with Claudia

Instructions: Listen to the audio and complete the text.

Hi! My name is Araceli, and I live with my roommate, Claudia. We share a small apartment, so we both have to do chores to keep it clean.

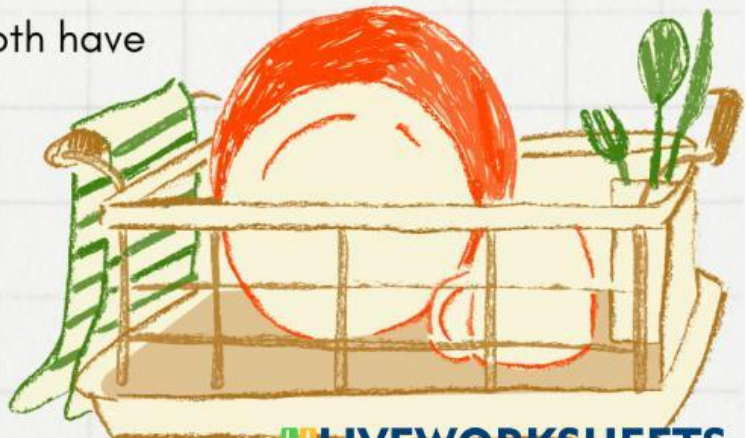

Every day, I have to (1) _____ _____ and organize my stuff. I don't like it, but I know it's important. Claudia (2) ___ _____ wash the dishes after dinner because we don't have a dishwasher.

In the morning, we both have to (3) ___ _____ before we leave for work. It makes the room look nice. Also, we (4) ___ _____ flush the toilet every time we use it! That's a basic rule.

Once a week, I (5)___ _____ (6) ___ _____. It takes time because we have a lot of clothes. Claudia is lucky—she doesn't have to (7) _____ _____, but she (8) _____ _____ hang up the clothes to dry when I finish.

On Saturdays, we clean together. I have to (9) ___ _____, and Claudia has to (10) _____ _____ after me. We also (11) _____ _____ water the plants because they need water every week.

Living with Claudia is fun, but we both have to work hard to keep our home clean and tidy!
