My house

My name is Peter and I live in a very comfortable house.
It is big and it is about 40 years old.
It has got two floors: the ground floor and the first floor. Downstairs there is a hall, a living room, a dining room, a kitchen and a toilet. Upstairs there are three bedrooms and two bathrooms. There is also a beautiful garden and a garage.
My favourite room is the living room because it is where I can watch TV or play computer games and talk to my family. I love my house...
