Reading Passage:

My best friend and I love playing football together after school. There's a big field near my house where many children gather to play different sports. Every weekend, my friend and I join a local football club for practicing. Our coach is very kind and always encourages us to do our best. Sometimes, when it's sunny, we play for hours until it gets dark.

When it rains, we move to a small indoor area to practice, but it's not as fun as playing outside. Last weekend, we even had a small match against another team and won! It was very exciting. After each game, our coach buys us ice cream to celebrate. Playing football is my favorite hobby, and I love spending time with my friend and team.
