

The image shows the Scratch Online web application interface in Thai. The interface is divided into several main sections, each highlighted with a red dashed border and containing orange callout boxes with arrows pointing to specific elements:

- Top Bar:** Contains the Scratch logo, a settings gear icon, and tabs for 'Scene' (ฉาก), 'Sprites' (ตัวละคร), 'Code' (โค้ด), 'Media' (สื่อ), and 'Help' (ช่วยเหลือ).
- Left Panel (Sprite Library):** Displays various sprite categories and specific characters like 'Cartoon Network', 'Disney', and 'Animals'. Arrows point from callout boxes to the 'Sprite Library' tab and several specific sprites.
- Center Stage:** The main workspace for creating the animation. It contains several orange callout boxes with arrows pointing to different areas of the stage.
- Right Panel (Script and Behavior):** Contains two main sections:
 - Script Area:** Includes blocks for 'When green flag clicked' (เมื่อกดปุ่มธงเขียว), 'Say' (พูด), and 'Think' (คิด).
 - Behavior Area:** Includes blocks for 'Move' (เคลื่อนที่), 'Size' (ขนาด), 'Color' (สี), and 'Sound' (เสียง).Arrows point from callout boxes to these specific block categories.

At the bottom of the interface, there is a green banner with the Thai text: **เติมส่วนประกอบแต่ละส่วน ของหน้าต่างโปรแกรม Scratch Online ให้ถูกต้อง** (Fill in each part of the Scratch Online program window correctly).
