

THE EVOLUTION OF LITERATURE

Read these five paragraphs and complete with the missing sentences from the box below taking into consideration the context of each part.

The Origins of Printed Literature:

Printed literature has a long history, reaching back to the invention of the printing press by Johannes Gutenberg in the 15th century. Before this invention, manuscripts had been painstakingly copied by hand, making books scarce and expensive. By the time of the Renaissance, printed literature had already shaped education and culture, marking the beginning of modern literature.

Massive Literary Production:

As literacy rates rose and printing technology improved, the 19th and 20th centuries saw an explosion in literary production. Many writers, from Charles Dickens to Virginia Woolf, have reached large audiences and shaped literary traditions. By the end of the 20th century, literature had already been mass-produced in forms like paperback books, magazines, and newspapers.

Electronic Literature:

Since the late 20th century, electronic literature has been evolving as a new way for authors to publish and distribute works. E-books and online publishing platforms have made literature even more accessible. The internet has changed reading habits, and literary texts are now often consumed digitally, allowing readers to instantly access millions of works. , as the digital format allows hypertext, multimedia integration, and interactive storytelling.

Fan Fiction and Massive Online Literary Production:

In recent years, fan fiction and other forms of online literature have become significant. Platforms like Wattpad and AO3 have allowed millions of people to create and share their work, expanding the definition of literature. This global network has created a massive online literary ecosystem, allowing diverse voices to reach audiences worldwide without traditional publishing constraints.

The Future of Literature:

As technology continues to evolve, literature may experience further transformations. While the literary world has changed dramatically, it has always adapted to new tools and platforms. The essence of storytelling endures, suggesting that literature will continue to evolve while preserving its ability to connect people across time and space.

- a** *This massive output had led to the establishment of genres and literary movements that defined periods.*
- b** *Readers, now empowered as writers, have developed entire communities around existing fictional worlds and original stories.*
- c** *With the press, books became more accessible, and literacy spread among the public.*
- d** *This shift has transformed how readers interact with literature*
- e** *Artificial intelligence has started generating text, and virtual reality may soon allow readers to "enter" stories in immersive ways*

WHAT IS FAN FICTION?

Fan fiction is a type of writing where fans of a particular book, movie, TV show, or other work create their own stories based on its characters, settings, or plots. These stories are usually written by non-professional writers and often published online. Fan fiction can expand the original story, explore alternative scenarios (known as "AUs," or "alternate universes"), or explore other relationships that the official narrative might not cover. It's a way for fans to creatively engage with the works they love, and it has grown into a vast online community where readers and writers share, comment, and interact.

You are going to read a mystery fan fiction inspired by the song "No body, no crime" by the American singer Taylor Swift. Read the preface and then, listen to the song.

No Body, No Crime

NO BODY, NO CRIME

When Este goes missing, it's up to Taylor and her friends to join the puzzle pieces of a crime that can't be proved.

Maybe even blur the line between justice and revenge.

Based on the studio track of the same name from Taylor Swift's 9th studio album, evermore.

Cover by: indaykitkat

Based on the title *No Body, No Crime*, predict what the song might be about. Write down your thoughts on what might happen and how this phrase relates to a mystery or crime.

Have you ever heard stories in songs about betrayal or revenge?

Why do you think people are drawn to stories about mystery and justice?

Vocabulary Preview:

Infidelity – unfaithfulness in a marriage or relationship.

Mistress – a woman involved in a relationship with a married man.

Alibi – proof that someone was somewhere else when a crime happened.

Insurance Policy – a financial product that provides compensation after an incident.

Listen to the song and pay attention to the lyrics. What other interesting words can you find?

no body, no crime.

He did it
He did it
Este's a friend of mine
We meet up every Tuesday night for dinner and a glass of wine
Este's been losing sleep
Her husband's acting different and it smells like infidelity
She says, "That ain't my merlot on his mouth"
"That ain't my jewelry on our joint account"
No, there ain't no doubt
I think I'm gonna call him out
She says
"I think he did it but I just can't prove it"
I think he did it but I just can't prove it
I think he did it but I just can't prove it
No, no body, no crime
But I ain't letting up until the day I die
No, no
I think he did it
No, no
He did it
Este wasn't there
Tuesday night at Olive Garden, at her job, or anywhere
He reports his missing wife
And I noticed when I passed his house his truck has got some brand new tires
And his mistress moved in
Sleeps in Este's bed and everything
No, there ain't no doubt
Somebody's gotta catch him out
'Cause
I think he did it but I just can't prove it (he did it)
I think he did it but I just can't prove it (he did it)
I think he did it but I just can't prove it
No, no body, no crime
But I ain't letting up until the day I die
No, no
I think he did it
No, no
He did it
Good thing my daddy made me get a boating license when I was fifteen
And I've cleaned enough houses to know how to cover up a scene
Good thing Este's sister's gonna swear she was with me ("She was with me dude")
Good thing his mistress took out a big life insurance policy
They think she did it but they just can't prove it
They think she did it but they just can't prove it
She thinks I did it but she just can't prove it
No, no body, no crime
I wasn't letting up until the day he
No, no body, no crime
I wasn't letting up until the day he
No, no body, no crime
I wasn't letting up until the day he died
