

Choose the correct option (WB ex 5 p 19).

- ¹ Put your coat on - it's *freezing / mild* outside!
- ² It's a nice *chilly / warm* day, so we can sit outside.
- ³ It's often *hot boiling / boiling hot* here in the summer.
- ⁴ The water's a bit *cool / mild*, but it's not too cold.
- ⁵ It's *lower / minus* fifteen here, so it's very cold!
- ⁶ Sometimes the temperature reaches forty *points / degrees* in the summer.

Read what four people say about the weather in their area. Choose the correct option (WB ex 8 p 19).

It's a horrible wet, ¹ *rainy / sunny* day here in Manchester, so you need your umbrella. It's also quite ² *chilly / boiling*, so you definitely need your coat.

Sometimes we have ³ *earthquakes / floods* here and our house shakes. It's quite scary. I live near the sea, so when this happens, we always worry that there might be ⁴ an *avalanche / a tsunami* too.

Winters are usually ⁵ *boiling / freezing* cold where I live and we often have lots of ⁶ *snow / snowy*. It's great because we can build snowmen, but the roads are dangerous because they're often ⁷ *cloudy / icy*.

Usually the summers are warm and ⁸ *sun / sunny* here, but this year it's quite ⁹ *cool / mild*. It's also quite rainy, so we're worried there might be a ¹⁰ *flood / hurricane*.
