The past continuous

We use the past continuous to talk about an action that was in progress at a certain time in the past.

We form the past continuous with **was/were** + past participle. For negative sentences, use **wasn't/weren't**. For questions, we use **was/were** + subject + past participle.

*I **was walking** slowly.*

*Holly **wasn't listening** to her MP3 player.*

***Were you making** dinner? Yes, I **was**. / No, I **wasn't**.*

See page 78 for formation of the **-ing** form.
