

READING AND LISTENING COMPREHENSION

1. Read the text and answer the questions in CAPITAL LETTERS. You can listen to the pronunciation.

visit Hawaii

Welcome to the islands of
Hawaii

There are lots of exciting activities for all the family.

Watch the whales
More than 6,000 humpback whales visit Hawaii every year. They arrive in December and stay until May. Take a boat trip and get close to these amazing animals. If you're lucky, you can see them jump out of the water. It's amazing!

Learn to surf Do you like water sports? In Hawaii, there are lots of beaches where you can learn to surf. It isn't easy, but it's exciting and fun. Give it a try!

Snorkel There are beautiful coral reefs around the islands of Hawaii. You can swim with colourful, tropical fish and see enormous manta rays. Manta rays look quite scary, but they aren't dangerous.

Make a sandcastle
Hawaii is famous for its beautiful beaches, but the sand isn't always yellow. You can find red, black, green and white sand here. It's the perfect place to make a fantastic sandcastle!

- A) Where can you learn to surf?
- B) When can you see whales?
- C) Which animals live in the reefs?
- D) What colour is the sand?
