## A TERRIBLE JOURNEY

The journey by train took forever. \_\_\_\_\_ the passengers looked bored. The train had \_\_\_\_\_ of the luxuries you'd usually expect on such a journey. As a result, there was \_\_\_\_\_ to buy any food or drink. \_\_\_\_\_ of the passengers brought their own packed lunches, and \_\_\_\_\_ watched enviously as they unwrapped them. At \_\_\_\_\_ station we stopped, people looked out of the windows, hoping to see \_\_\_\_\_ sellers with \_\_\_\_\_ in the way of refreshment. But, sadly, there were \_\_\_\_\_ at all. It appeared that \_\_\_\_\_ people would have to spend all the time dreaming of a cup of coffee and a sandwich. I brought a couple of magazines to read but \_\_\_\_\_ of them held my attention for very long. I had \_\_\_\_\_ interest in \_\_\_\_\_ but ending the journey. It was very boring and I felt \_\_\_\_\_ refreshed nor relaxed when I finally reached my destination.
