

Narrative Essay (Story): A Competition

In your class, you have been talking about a competition that you took part in the past. In about **100 words**, write an **essay** about the experience. You **must** use the notes below to help you.

A competition

- *When it happened*
- *What the competition was*
- *Who participated in the competition*
- *How the competition went*

Last month, my school celebrated English language month. It was a special programme to _____ and have fun learning the language. The school organized many activities throughout the month, and everyone was _____.

I joined one of the spelling competitions that was organized at my school. It was _____, so I was both excited and nervous. I had spent many days preparing by practising new words, _____, and understanding how to pronounce them. My teacher and family encouraged me, and that gave me more confidence to try my best.

The competition _____ from all forms. It made the event even more special. Participation of students from Form 1 to Form 5 made the competition more challenging, fun, and _____.

I didn't win, but it was a great experience, and I felt proud to be part of it. I not only improved my English skills but also learned how to _____ across age groups. This

experience brought the whole school closer together, and I hope my school will continue this tradition next year.

Complete the essay above with given answers below
