

You've got a friend in me

When the road looks rough ahead
And you're miles and miles
From your warm bed
You just what your old pal said
If you've got troubles, I've got 'em too
There isn't anything I wouldn't for you
We stick together and can it through
Cause you've got a friend in me
Some other folks might be
A little bit than I am

Bigger and stronger too
Maybe
But none of them will love you
The way I do, it's me and you
Boy, and as the years go by
Our friendship will die
You're gonna see it's our destiny
