

Read the texts and work on the exercises.

Time for an adventure?

Are you a bit bored with your school routine? Look at our exciting different holidays and decide what type of adventure you want!

Activity holidays

Our activity holidays are for everyone, people who love danger or who just like sports. In October, we are going to travel to San Rafael, Mendoza. We are going to do many activities like SCUBA diving in the Cañon del Atuel or kayaking and white water rafting in Potrerillos. If you prefer snow, we are going to go skiing or snowboarding in June.

Polar expeditions

We are going to take a cruise to Antarctica. During this experience, we are going to explore a land of white natural beauty and wonderful wildlife. Our experts are going to explain everything about the pole, and this is going to happen as you watch the penguins. There's no greater adventure than travelling to the ends of the earth. A once-in-a-lifetime experience!

Cultural journeys

Our cultural journeys are going to help you discover our ancient civilisations in different parts of the country: in the Mapuches in the south, the Wichi in the north and many more. We are going to visit temples and ancient. We are going to learn about those people's culture. We are going to meet local people and we are also going to learn their ways of life. Finally, we are going to eat exotic foods and traditions.

Trekking tours

If you are interested in outdoor activities, this is a perfect destination for you. We are going to travel to Mendoza to explore the mountains. We are going to walk and trek in the famous Valle de Las Lágrimas for 3 days. You are going to have a great time in nature with a group of new friends. We are also going to go camping and sleep in tents. We are going to visit the place where the Uruguayan National Rugby team had the accident in 1972.

Wildlife holidays

We organise small-group tours to get closer to nature in the Yungas in Jujuy. We are going to go into the jungle, and we are going to sleep there for 4 days. We are going to admire all kinds of animals and insects. We are going to travel with local guides and sleep in a lot of different places, from tents to tree houses.

a. Write the activity in the correct column.

visit the south pole	see insects	try local food	follow a local guide	go kayaking
learn about different cultures	walk around mountains	see penguins	try different sports	

Activity holidays	Polar expeditions	Cultural journeys
Trekking tours	Wildlife holidays	

b. Read the text again and choose the correct option:

1. Where do the activity holidays take place?
2. Which winter sports are mentioned in the text?
3. What can visitors expect to see on the polar expedition?
4. What will participants do during the cultural journeys?
5. Where is the location mentioned in the trekking tours?
