**Part IV: Read the paragraph and answer the questions below.**

Hi! My name is Ana, I am a seventh grader. Let me tell you some information about my preferences. On Saturdays, I like to go to the market with my mom. I always ask her to buy some fruit. We buy bananas, watermelons, strawberries, and mangoes. I like mangoes so much. They are my favorite fruit. I like most of the fruits, but I don't like pineapples. On Sundays, my dad always cooks delicious food. He cooks chicken, pizza, and sometimes hamburgers. Hamburgers are so tasty. I like them a lot. But I prefer them without cheese because I don't really like cheese. Besides, I'm not lactose tolerant. I like animals, my favorite pet is the dog. I like to listen to music. My favorite kind of music is pop.
