Reading N°1

Read the text and answer the questions.

A few years ago, I worked as an elf at a holiday resort in Lapland, Sweden. The resort was in a forest, it had small wooden cabins where visitors and workers stayed. Tourists stayed for four days.

On day one, they arrived by bus. I helped at reception, guiding guests to their cabins and selling tickets for extra tours.

On day two, we dressed as an elf and went to a cabin in the forest. I pretended to make toys with big tools.

On day three, we went to a different cabin —Santa's cabin! Where we pretended to wrap up toys before children met Santa and received the gifts.

After guests left, a new group would arrive, and my work as an elf brought joy and magic to the holiday season.
