

The Other Side

Hugh Jackman & Zac Efron

Right here, right now

I don't wanna

I know

And I can

Out of you keep in

So trade

And if it's crazy,

, a king of conventional

Or you can

from the same old part

you gotta play

, so come with me and

take the ride

'Cause you can do

Or you can do

, or you'll finally take the key

Oh, damn,

It'll take you to the other side

Okay, my friend,

Well, but it just won't happen

So thanks, but no

'Cause I quite enjoy the life

, and that whole show you do

, really it's something

But, and we don't pick up

peanut shells

I'll have to

Don't you know that I

get to play

'Cause I got what I need and

the other side

like you do

like me

Ain't in a cage, so

Oh, damn,

I don't need to see the other side

Now is this really?

, and

, I'd be the talk of the town

, another one of the clowns

But you would finally, finally

Just let me give you

And and

and

Now that's a deal that

But I guess

Well, it's intriguing, but

So would I be taking?

Well, fair enough,

I'd give you seven,

, eighteen would be just fine

Why not just go ahead and?

Don't you wanna get away to

'Cause I got what you need,

To the other side

So if you do like I do

So if you do like me

, 'cause we know

Oh, damn,

We're going to the other side

So if you do like I do

(To the other side)

So if you do like me

(Going to the other side)

'Cause if we do we're going to the other side

We're going to the other side
