The hopscotch diagram consists of a top semi-circle labeled 'CÉU' with two stars, a middle section with two rows of two boxes each, a bottom section with two rows of two boxes each, and a bottom semi-circle labeled 'INÍCIO' with a heart. The numbers 9, 5, 3, and 1 are placed in the first box of each row. There are four children: one on the left, one on the right, one at the bottom left, and one at the bottom right. A small flower is also present.
