**Interviewer:** Hi, Katy. I'm Anna. Thank you for agreeing to do this interview.

**Katy:** That's OK. I have a day off and I'm just relaxing so I can talk to you. You're not interrupting anything!

**Interviewer:** That's good. I have some questions for you from our readers.

**Katy:** Cool! I really like your magazine.

**Interviewer:** Great! So, the first question is - do you usually work in the USA or in the UK?

**Katy:** Well, as you know, I live in Los Angeles in the States but I often come to the UK for work. I'm here right now to film a new TV show. Then I plan to have a short holiday in Scotland before I go back home.

**Interviewer:** Excellent! You're a very famous actor and our readers want to know - do you like being famous? Does anything annoy you?

**Katy:** That's a very good question! I love my work but some things about it are annoying! Often when I'm eating in a restaurant people ask for my autograph. Also, there's another thing I really hate. If I'm shopping in the supermarket and I'm not wearing smart clothes or make-up, photographers love it! They take a photograph and the next day it's in the newspaper with the words. 'Poor Katy is looking ill and tired! Is she working too hard?'

**Interviewer:** Well, you're definitely not looking tired or ill at the moment!
