Read the email where Andrés Tells Karina About His Family and Job and answer the question.

Dear karina,

I hope you're doing well! I wanted to tell you about my life here in Quevedo, where I live with my family. We have a small but comfortable house in a quiet neighborhood. Every day, we follow a routine that keeps us busy but happy.

Most mornings, I wake up early to get ready for work. I usually have breakfast with my wife, Camila, and our two kids, Alejandro and Mariana. Camila works as a teacher at a local school, so she also wakes up early. After breakfast, I go to the university where I teach English, and she goes to school. Our kids are both in school, and they leave home around 7:30 AM. Not many families in our neighborhood have such early routines, but we like it this way because it helps us stay organized.

In the afternoons, we all come home at different times, but we always try to have dinner together. Alejandro is 10 years old, and he loves playing video games, while Mariana is 7, and she enjoys drawing and reading. Most evenings, after dinner, we watch a movie or play board games. Some days, we go to the park or take a walk around the neighborhood.

On weekends, we usually spend time outdoors. We often go to a nearby park, and sometimes we visit Camila's parents, who live in a small town just outside Quevedo. All of us love these family trips. It's a great way to relax and enjoy time together.

I'm really happy here in Quevedo. Life is simple but fulfilling. I hope you can visit us soon!

Take care,
Andrés.
