1.

Tony: I've been studying for a few weeks now and I feel extremely tired. Once the exams are over, I'd like to get away somewhere to chill out. Ideally to a peaceful place, somewhere off the beaten track where there are few other people. Long walks are what I need!

2.

Wendy: I really need a break. I'm hoping to get away with a bunch of my friends. I relax the best in their company because we always have a laugh. I wouldn't mind a city break - we could do some clubbing and sightseeing at the same time.

3.

Alec: I'm so tired after weeks of helping my parents to do our flat up. My body's aching and I could do with some rest. The best idea for me would be to go to a spa or a sports centre. A good work-out will do me good.

4.

Agnes: I'd love to go away with my friends on a weekend break, somewhere where there are plenty of attractions. We need to rest after the exams. We're active people and we're keen on adventures.
