

# Final Test

## Pre-Intermediate level A2+

### Reading and Use of English

#### **Avengers assemble!!**

*Would you like superheroes?*

*Follow our favourite Avenger's missions or tasks and save the world or your term!-*

***Whatever it takes!***

**A. Read the following passage and answer all the questions.**

**Avengers: Endgame**

Avengers: Endgame is a movie about heroes who work together to save the world. The story begins after a villain named Thanos uses powerful stones called the Infinity Stones to make half of all living things disappear. Many people and heroes are gone, including some of the Avengers' friends and family. The remaining Avengers feel sad and want to find a way to undo what Thanos did.

After five years, one Avenger, Ant-Man, returns with a plan. He believes they can travel back in time to find the Infinity Stones before Thanos uses them. This plan is dangerous, but the Avengers agree to try it. They split into teams and travel to different places and times to collect each stone. Along the way, they face many challenges and even meet their younger selves!

Finally, the Avengers return to the present with all the stones. They work together to reverse what Thanos did. However, Thanos finds out about their plan and arrives to stop them. In a huge battle, Iron Man makes a brave decision to use the stones himself. He manages to defeat Thanos, but the power of the stones is too strong, and he dies.

In the end, the Avengers honor Iron Man for his sacrifice. They say goodbye to their friend and remember him as a hero. They also feel happy that their friends and family are back and safe again, but they are now stronger than before and ready to defend the planet against any villain.

**For questions 1-3 answer in complete sentence.**

1. What does Thanos use to make half of all living things disappear?
2. Who returns after five years with a new plan to undo Thanos's actions?
