

Listen, read and answer the questions

Our Computer Room

At our school, we have a big computer room. We have 40 computers in the room, one for every student.

In the computer room, the students can practice English, Vietnamese, and math. They have art here, too. Students can't play computer games, but they can draw and color pictures with the computer.

The children come to the computer room every Tuesday and Thursday.

- 1. What is the text about?**
