(=δεν το λέει).

My name's Angie and I live in Manchester with my mum, dad and my big brother, Andrew.

Dad is a vet and Mum is a teacher. Dad gets up very early and leaves the house at six o'clock. Mum always makes breakfast for us and then Andrew and I walk to school.

My brother Andrew is a very good footballer. He always has football practice after school. He's got a lot of friends and when he's at home he usually plays video games with them.

In the evening, at about seven o'clock, we all have dinner together. After dinner, I usually help my mum wash the dishes. Dad and Andrew always watch their favourite programme on TV. My family is really cool and they are everything to me!
