It's Tasty

One of the latest trends on Facebook is TASTY video clips. In these clips, which are around a minute long, all you see is a pair of hands preparing food. The videos are made by everyday people, and few of the recipes are ¹ or require unusual ingredients.

², people have short attention spans, so they want to see something that ³ quickly.

For many, the fun of TASTY isn't only watching the clips but also ⁴ on them. In the last six months, more than 84 million people have ⁵ their opinions about these videos. And that's really the point. People aren't watching them only to learn how to make pizza or bread. They ⁶ these simple videos as a way of connecting with other people online.
