20. Animals that live on dry land are called _____ animals.
21. Animals that are used to carry out farming activities are referred to as beast of _____.
22. The following animals are useful in the farm EXCEPT _____ (a) lion (b) cow (c) camels (d) donkeys

INSPIRED TOTS EARLY LEARNING CENTER
FIRST TERM EXAMINATION 2024/2025 SESSION

23. COMPLETE THE TABLE BELOW

FARM ANIMALS	YOUNG ONES
Lion	
Dog	
Cat	
Hen	
Goat	

24. Crops that grow where they are not expected to grow are called _____
25. The first step to take in growing field crops is _____ (a) making ridges
(b) land clearing (c) tilling (d) planting
26. One of the advantages of making ridges is to soften the soil. TRUE OR FALSE
27. Tuber crops are crops that grow inside the soil. TRUE OR FALSE
28. Fertilizer and manure are applied to the soil to improve the quality of the soil in terms of nutrients. TRUE OR FALSE
29. Crops are harvested at the point of maturity TRUE OR FALSE
30. Rice and maize are examples of legumes. TRUE OR FALSE
31. Beans and soybeans are examples of cereal crops. TRUE OR FALSE
32. The following are domestic animals except _____ (a) tiger (b) dog (c) cat
(d) rabbit
33. Which of the following animals is a milk producer? (a) cat (b) hen (c) cow (d) dog
34. Which of the following animals is a beast of burden? (a) hen (b) dog (c) donkey
(d) rabbit
35. The following are farm animals Except _____ (a) hen (b) goat (c) crocodile
(d) rabbit
