READING

**Task 3** **Read the text about Bella's friends and finish the sentences below.**

I have a lot of friends, but Jim and Kelly are my best ones. Jim is 11 years old like me, but he is taller. He has blue eyes and short blond hair. Jim is crazy about horse riding. He goes to a horse riding club on Tuesdays and Fridays. He also likes playing football and skating. Jim is very active and funny – he knows a lot of jokes.

Kelly, on the other hand, is rather calm. She is a year younger than Jim. Kelly is the same height as me. She has green eyes and long brown hair. Kelly wears glasses and reads many books. That's why she knows a lot and is interesting to talk to. Kelly is creative, too. She enjoys drawing.

In general, Jim and Kelly have many differences. However, there are some things that they have in common – dancing, playing board games and cycling. We all like hanging out together in the park at weekends, too.
