

READING A QUESTIONNAIRE

>>> Read a questionnaire

- 1 Read the instructions for a game. Which is the correct way to start? Tick (✓) the correct picture.

READING TIP

It's important to read instructions slowly and carefully.

This is a board game called *Catcher and Runner*. This is how you play it.

There are two players – Player A and Player B. Player A sits on one side of the board and Player B on the other, so A looks at B. Player A has four black pieces and he puts them on the four bottom white squares. Player B has one white piece and she puts it on her part of the board on one of her bottom white squares.

- 2 Read the instructions again and decide if the sentences are true (T) or false (F).
