The daughter of a lion

Elizabeth I was the daughter of King Henry VIII and Queen of England from 1558 to 1603. Elizabeth's father wanted a son. He married six times, and he had a son, Edward, but Edward died in 1533. After that, Henry's other daughter, Mary was queen for a few years, and then it was her sister's turn. Elizabeth I, aged 25, became a great queen.

She was a clever woman. She made good decisions, and made England a great country. Her period as queen is called "The Elizabethan Age". It was a great time for adventure and literature. Shakespeare wrote many famous plays. Elizabeth never married. When she died in 1603, her cousin, James VI of Scotland became king.
