Hi Andy!

I went to Cambodia with my family last summer vacation. Cambodia is close to Viet Nam, so we went there by minibus. We went to the mountain, the forest and the beach. It was really exciting.

On the first day of the vacation, we climbed a mountain and had a barbecue there. We spend the second day in the forest. There were a lot of animals such as monkeys, birds, and insects there. On the third day, we stayed on Koh Rong Island. We got there by speedboat. We played volleyball at a beautiful beach on that island. It was awesome.

See you soon!
