Watch the film carefully. See how many of the questions you can answer - write on the envelopes!

Which town does Jesper become the postman of?

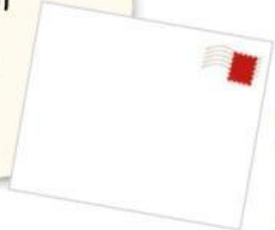

What does Miss Alva do instead of teaching children?

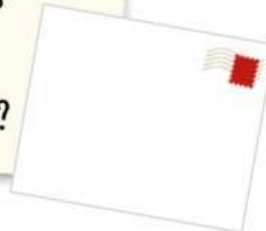

What is the very first present that Klaus and Jesper deliver?

What are the names of the two families that are fighting?

How many letters does Jesper have to deliver before he can go home?

What does Jesper put in the naughty boy's stocking?

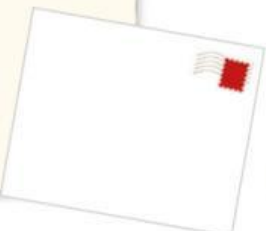

What does Margu, the Saami girl, want as a present?

What was Klaus's wife called?

What was inside the 'decoy' presents?

After Klaus disappears, how often does he come back to visit Jesper?
