My Sister

I have an older sister named Alexa. She is a doctor and is seven years _____ than me. Although we are siblings, we have some different characteristics and personalities, which make our relationship _____ and interesting.

My sister has black _____ hair. She also has a slim, hourglass-like body. She is 169 cm tall and has long legs. Her skin is tanned because she likes to travel. She also has nice facial features. Her face is small, with rounded brown eyes. She wears rectangular glasses. She has a _____ nose inherited from our parents.

People like to see her smile and laugh because she has _____ smile. My sister is pretty but she always denies it. She is also _____ to everyone. She has a habit of surprising me with little treats, like buying my favorite snacks or meals, even on her busiest days. It's her way of showing she cares, and it always brightens my day.

Yet sometimes she can annoy my mother. One of the main reasons is her habit of rarely cleaning her room. It's not because she is careless or _____, but rather because her demanding schedule as a doctor leaves her with very little time and energy for household chores. From Monday to Saturday, she works tirelessly, often coming home late at night after a _____ day at the hospital.
