I don't really know why people tend to overreact when it comes to talking about the things we usually carry in our bags. We only carry what's necessary, let me explain. First and most important, our _____. It's important to be in touch, more if you are like me and you need it to work too. That's why I also have my _____ in case I run out of battery. Since I go to work every day I don't have **any** _____ in my bag. I only wear them to protect my eyes from the sun when I go to the beach. I prefer to use my _____ because I can use it to protect myself from the sun but also from the rain. Self-care is really important for every girl; I have a _____ to style my hair, a _____ to touch up my lips, **some** _____ to clean my face and my nose when I have an allergy, and **some** _____ too because I like to smell nice. I work almost 10 hours a day, that's why I need to take care of my body too. I have **some** _____ to drink while I work and **some** _____ to eat when I need energy to continue with my job. If I'm in a hurry and I can't pack **any** of these, I just use **some** _____ to buy **some** of them at the store. You wouldn't believe how clumsy and forgetful I am, that's why it's mandatory for me to carry an _____, if I need to

write down **any** important information, I use it. Additionally, for important documents, photos, and data from my office I use my _____. I also carry enough _____ to chew during the day, it helps me with my anxiety. In fact, we can share. Would you like **some**?
