TOKYO

Tokyo has a population of 35 million people. It is the largest city in the world. It is also one of the most exciting.

Everything moves fast here. It has one of the biggest and busiest railway systems in the world. Every day 11 million commuters use it to get to and from work. People earn the highest salaries, and they spend the most money. They wear the latest Fashions and have the most up- to date pones. It is the world's most expensive city.

Old and new

Tokyo was originally a small fishing village called Edo.

The name changed in 1868 when the emperor moved there.

The architecture is very modern. The are not many old buildings because of the 1923 earthquake and the Second World War. But traditional Japan is always near, with many Shinto shrines and public baths around the city.

Visiting Tokyo

Tokyo is on the east coast of Japan. The summers are hot and humid. The most beautiful time of year is spring, when the famous Cherry blossom is on the trees.

The city is huge, but it is one of the safest cities in the world.

Japan is mysterious. It is difficult for foreigners to understand.
