Part 4: Reading and speaking Comprehension

Instructions: Read the following passage about Christmas traditions, and answer the questions and acive microphone and speak the answer

Christmas Traditions Around the World

Christmas is celebrated in various ways across the globe. In the United States, the holiday is characterized by decorated Christmas trees, the hanging of stockings, and the anticipation of Santa Claus's visit. In other countries, different traditions take center stage. In Italy, children celebrate "La Befana," a friendly old witch who brings gifts on Epiphany. In the UK, Christmas crackers—festive party favors—are pulled at dinner parties, and in Mexico, "Las Posadas" re-enact Mary and Joseph's search for a place to stay before Jesus's birth.

Though traditions vary, the spirit of Christmas—love, generosity, and community—is universal.

Questions:

-What is one tradition celebrated in Italy during Christmas time?

-In the UK, what is a Christmas tradition involving party favors?

-What is the central theme of Christmas as described in the passage?
