

Please, please, please - Sabrina Carpenter

I know I have good judgement, I know I
have _____ taste
It's funny and it's ironic that only I feel that
way
I promise 'em that you're _____
and everyone makes mistakes
But just don't
I heard that you're an _____, so act like a
stand-up guy
Whatever devil's inside you, don't let him
out tonight
I tell them it's just your culture and
everyone rolls their _____
Yeah, I know
All I'm asking, baby

Please, please, please don't prove I'm
right
Please, please, please
Don't bring me to tears when I just did my
_____ so nice
Heartbreak is one thing, my ego's another
I beg you, don't embarrass me,
m*therf*cker, oh
Please, please, please (ah)

Well, I have a _____ idea, babe
(uh-huh), maybe just stay inside
I know you're craving some fresh air
But the ceiling fan is so _____
And we could live so happily if no one
knows that you're with me
I'm just kidding, but really (kinda), really,
really

Please, please, please don't prove I'm
right
Please, please, please
Don't bring me to tears when I just did my
_____ so nice
Heartbreak is one thing (heartbreak is one
thing), my ego's another (ego's another)
I beg you, don't embarrass me,
m*therf*cker, ah
Please, please, please (ah)

If you wanna go and be _____,
don't do it in front of me
If you don't wanna cry to my _____,
don't make me hate you prolifically
Please, please, please (please)
Please, please, please (please)
Please (please), please (please), please
(ah)
