Reading

Human talents and abilities are diverse and unique. Read the text to explore the various types of talents and skills that people possess, and then answer the questions.

A World of Talents

Everyone has different talents and abilities. Talents are special skills that we have naturally. Abilities are skills that we can develop through practice and learning.

Artistic Talents: Some people have a natural ability to create art. They can paint, draw, or design. Artistic talents help express feelings and ideas in beautiful ways.

Athletic Abilities: Some people excel in sports. They are fast runners, skilled soccer players, or great swimmers. Athletic abilities often come from practice and physical training.

Musical Talents: Many individuals can sing or play instruments. Musical talents include understanding rhythms and melodies. These skills bring joy to others through music.

Academic Skills: Certain students have a talent for subjects like math or science. They can solve problems quickly and understand complex ideas. These abilities are important for learning.
