Cynthia erivo & Ariana grande

I hope you're happy

friend

that you're choosing this (you, too)

I hope it brings you bliss

really

I hope you get it

And you don't live to regret it

I hope you're happy in the end

I hope you're happy my

gravity

So if you care to find me

message

Look to the western sky

As someone told me lately

"Everyone the chance to fly"

And if I'm flying solo

now

At least I'm flying free

To those who ground me

Take a back from me

Tell them how I am defying

I'm flying high, defying gravity

And soon, I'll match them in renown

And all of Oz

deserves

No wizard that there is or was

Is ever gonna bring me down

I hope you're happy (Look at her! She's wicked, get her)

nobody

Bring me down! (No one mourns the wicked! So we've got to bring her)

Oh! (Down)
